25 YEAR RE-REVIEW

MEMORANDUM FOR: SECRETARY OF STATE

Attention: Mr. W. Park Armstrong, Jr.

SUBJECT: Request for Radio Call Signs for the Southeast Asia Communications Activity

REFERENCE: Letter dated 26 September 1950 to Admiral Hillenkoetter from Mr. Armstrong

25X1

1. [redacted] it is desirable that radio call sign assignments for the radio stations in Southeast Asia requested by the reference letter be comparable to those recently obtained for use by the Middle East Communications Activity (MECA), a similar activity. These latter radio call signs were obtained for this Agency by the Division of Communications and Records, under [redacted] from the Federal Communications Commission.

25X1

2. Anticipated requirements for the Southeast Asia Communications Activity will total ten each 3-letter call signs and ten each numerical suffixes, one of which is to be appended to each of the call signs in compliance with recently adopted International Telecommunications practices.

3. Inasmuch as certain phases of the project are to be activated in the immediate future, it is requested that the above call sign requirements be fulfilled as rapidly as possible.
